Dear Friend of Seattle Children's Hospital:

Reflections School of Dance is presenting "Breathing" as a benefit for Seattle Children's. We are very grateful to Reflections and encourage support from the community and individuals to help make this event successful.

We believe that all children have unique needs and should grow up without the burden of illness and injury. Children's sees more than 76,000 patients every year, many whose families cannot afford the full cost of their medical care. This year, the hospital expects to provide over \$119 million in uncompensated care for those in need.

If you have any questions about Children's involvement with Reflections School of Dance please contact me at (206) 987-4838 or [kristin.peterson@seattlechildrens.org](mailto:kristin.peterson@seattlechildrens.org). Thank you for your consideration in supporting their efforts.

Sincerely,

Kristin Peterson
