

REFLECTIONS SCHOOL OF DANCE / YOUTH UNLIMITED
PROGRAM AD FUNDRAISING / DONATIONS – PROCUREMENT FORM

Non-Profit Fundraising Purpose:

One of our main purposes for fundraising is to serve our community by offering to raise awareness and further Performing Arts in Snohomish County and around the world. We at Reflections School of Dance and Youth Unlimited are committed to providing support to our client families as well as outreach to our community. Our first priority is to offer the spring “National Dance Week” Concert to the General Public at large free of charge (donations are appreciated). We especially want the ones who could not afford to go to a professional quality show to be able to enjoy this opportunity and be treated for an evening. We also believe it is a great opportunity for the Dance Teams to showcase their hard work to their family, friends and community.

We are deeply grateful for every sponsor and treasure the resources needed to do everything that is in our vision to do.

Our first order of business is to cover our expenses for this event. After our expenses are paid we split any funds made three ways:

- 1) **2012 Special Focus - Sno Co Young Life "YOUNGLIVES"** <http://sites.younglife.org/sites/SnoCoYoungLives/default.aspx>
- 2) **Scholarships** and programs for talented individuals in need to take dance classes as well as Outreach Performances locally.
- 3) **Team Outreach:** This year's trip is to Houston, Texas **July 28-Aug 4, 2012**. We took Teams of Dancers to Central America in 2006 & Thailand in 2009 (teaching dance to a HIV+ orphanage), Las Vegas & LA in 2011 with invitations to go back & other places.

In the past we've done Benefits for Children's Hospital, Haiti Relief, Human Trafficking Abolishment and Asthma Awareness.

Please let us know if you have any further questions.

THANKS for your impacting partnership with us and your generous contribution and support!
