

WELCOME!!

We are so excited and thankful that you've come out tonight to share this special evening with us. Today we celebrate the completion of 5 years as a school. What a joy it is to work with so many lovely people. Be confident that you are in for a treat as the students of Reflections School of Dance share with you their talents and the fruit of their hard work. If you happen to be a parent of one of these dancers, you have been truly blessed. These kids are exploding with love, personality, and potential. It has been my joy to experience that first hand this school year. Thanks for sharing your kids! Oh, and by the way, **HAPPY FATHER'S DAY!**

This past year has been a year of change, let us not forget all the blessings we have, the big and small. We also celebrate the beginning of a new season for us. We're grateful for all your patience through our changes too.

Our children's portion of the program this year is entitled "**The Kings' Decree**", inspired by a children's story I made for my son one evening last summer when he asked me for a story that "was not in a book". Our "**Jazz Dancer's Showcase**" features my older teen and adult dancers displaying our funky, jazzy styles of dance.

Sit back and enjoy the show! **Miss Debbie**
